

LANDSCAPE ARCHITECT

INTERMEDIATE

Boffa Miskell | Auckland, New Zealand

Feed your passion for design and contribute to projects that range from strategic and conceptual through to seeing those ideas come to life on site.

We're on the lookout for an experienced, enthusiastic and talented person to join our design team of energetic and passionate landscape architects and urban designers. You'll be working on a broad range of projects from urban streetscapes and public spaces, cycleways, green spaces and infrastructure, stream restoration, apartment living, educational and mixed-use developments. Ideally, you'll bring between two-five years' professional experience, along with the following skills and attributes:

- Creativity, innovation and flexibility in seeking solutions along with dedication to doing the investigation and research that underpins the best design solutions.
- Experience and good understanding of how to take a design from concept through to construction documentation.
- An appreciation for a well-crafted documentation and dedication to achieve accurate, easy to read drawings.
- Excellent interpersonal skills, including being an effective and confident communicator to a broad audience and are highly motivated to develop and maintain enduring client relationships.
- Excellent graphic capability, equipped with a broad range of digital tools and techniques, as well as hand drawing.
- Experience in the use of AutoCAD, including draughting and detailing skills to develop documentation of landscape projects. REVIT and BIM experience an advantage and expertise in Sketchup, Adobe Creative Suite, and MS Office software.
- Bachelor Degree (Hons) and/or Masters Degree in Landscape Architecture.
- A keen interest to expand your skills and develop your career and if not already NZILA Registered an interest in achieving registration.

We offer a supportive, collaborative and respectful working environment, and the opportunity to work closely with urban designers, ecologists, biosecurity specialists, cultural advisors, landscape planners and planners. Regardless of discipline, we are all passionate people who excel at what we do.
