

LANDSCAPE ARCHITECT

Boffa Miskell | Auckland, New Zealand

Bring your passion for landscape and be a part of some of New Zealand's most exciting projects.

Based in our Auckland office, you will be involved in a diverse range of projects. You will work in a friendly and supportive environment, with similarly motivated people, committed to the sustainable management of New Zealand's landscapes.

You will not only be part of an experienced landscape planning team but also be working closely with our urban designers, ecologists, cultural advisors, planners and landscape architects.

In particular we are seeking a person who has:

- demonstrated expertise in the landscape planning area of landscape architecture, and is a fully qualified landscape architect.
- a minimum of four years relevant work experience.
- demonstrated ability working within multi-disciplinary project teams.
- experience undertaking Landscape and Visual Effects Assessments, and Masterplanning.
- a strategic approach to environmental management.
- an understanding of New Zealand planning legislation.
- had previous involvement in preparation of evidence and attendance at hearings.
- knowledge of ArcGIS.
- membership of relevant professional organisation.

In addition, it is expected that you will have the following attributes:

- a commitment to creating quality environmental outcomes for New Zealand.
- creativity, innovation and flexibility in seeking solutions.
- the ability to think conceptually and focus on wide-ranging or long-term outcomes.
- be highly motivated to develop and maintain enduring client relationships
- clear and well-articulated written and oral communication skills.
- ability and experience in conceptual landscape design. ability to graphically represent landscape solutions.

Boffa Miskell is a successful planning, ecology and design consultancy with six offices across New Zealand and a track record spanning 45 years. A wholly New Zealand-owned consultancy, we are big enough to attract quality clients and projects, but small enough to care for and support each other's professional goals.
