

# SENIOR LANDSCAPE ARCHITECT

Boffa Miskell | Auckland, New Zealand

**Use your design talent and experience to lead and deliver design projects for clients in the public, corporate and private sectors**

We're on the lookout for a senior landscape architect with a background of working on projects where landscape input was key to delivering a great outcome. Your experience will span the full range of project design work, from strategic and conceptual design through to detailed documentation and implementation.

You will have over seven years' professional experience, along with the following skills and attributes:

- Experience as project design lead, responsible for the overall design, the coordination of project deliverables and meeting key project milestones.
- Be creative, have a critical eye and ability to problem solve and actively contribute ideas within a collaborative team.
- Skilled graphic capability, ability to use a broad range of digital tools and techniques - AutoCAD, draughting and detailing skills, with REVIT and BIM experience an advantage.
- Proven experience in documenting landscape projects from concept through to construction documentation.
- Have a keen interest in developing and mentoring less experienced designers.
- Highly motivated to develop and maintain enduring client relationships and a keenness to identify new opportunities utilising market knowledge and competitor activity.
- Excellent interpersonal skills, including being an effective and confident communicator to a broad audience.
- Hold NZILA registration or overseas equivalent and a Bachelor Degree (Hons) or Masters Degree in Landscape Architecture.

We offer a supportive, collaborative and respectful working environment, and the opportunity to work closely with urban designers, ecologists, biosecurity specialists, cultural advisors, landscape planners and planners. Regardless of discipline, we are all passionate people who excel at what we do.
